

Directions for Use

All-Temp Glass and Surface Cleaner is intended for daily use cleaning. Temperatures that range from 100°F to 15°F fill chamber to 1 ounce level and add to 31 ounces of water. For temperatures below 15°F an additional ounce will be needed. All-Temp Glass and Surface Cleaner should always be used in a properly labeled spray bottle. To produce a spray bottle, loosen white cap, gently squeeze bottle until 1 ounce chamber is filled. Add the 1 ounce concentrate to 31 ounces of water.

Hazard Information

Warning: Causes skin irritation and serious eye irritation. Contains Isopropyl Alcohol (CAS #67-63-0) and Ethylene Glycol Butyl Ether (CAS #111-76-2). Avoid prolonged inhalation of vapor or mists. Wash hands thoroughly after handling. Wear protective rubber gloves and chemical splash goggles as needed to prevent contact when using this product. **If swallowed:** Rinse out mouth. Do NOT induce vomiting. Call a poison control center or doctor if you feel unwell. **If in eyes:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison control center or doctor for treatment advice if irritation persists. **If on skin (or hair):** Wash with plenty of water. Take off contaminated clothing and wash it before reuse. Call a poison control center or doctor for treatment advice if irritation persists. **If inhaled:** Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor for treatment advice. Store in a locked location inaccessible to children. Dispose of empty container by offering for recycling if available, or into a landfill. Follow all applicable state and local regulations. Keep container closed when not in use. NEVER mix this product with anything except water. Consult Safety Data Sheet (SDS) for further information before use.
