

Our Bacterial Digestant Deodorant are living bacterial suspensions, which attack solids as grease, fats, proteins, carbohydrates, and sugars instantly destroying malodors by eliminating the source... digest grease and organic waste nature's way. Guaranteed salmonella free.

DIRECTIONS

Grease Traps: Initial Treatment - Pour 1 qt. into opening closest to trap, prior to its longest non-use period. For maintenance purposes - use 4 oz. daily. (Large traps may require additional amounts).

Sink Drains: 4 oz. twice weekly. Vary amount and frequency according to usage and size of drain.

Wash Basins/Shower Stalls/Bathtubs: 4 oz. weekly.

Floor Care: For mopping, dilute 4 oz. per gallon of water.

Urinals, Porta-Toilets & Outhouses: Add 1 qt. to solids to deodorize and aid in digestion.

Garbage Disposals: 2 oz. weekly for digestion and deodorizing.

URIC ACID ODOR NEUTRALIZER

Vigorously attacks and destroys uric acid and other malodors.

REFUSE CONTAINERS

Digests organic waste and completely neutralizes all malodors.

GENERAL DEODORIZING: Superb for deodorizing kennels, cigarette urns, bed pans, and similar places where foul odors are present. Spray concentrate solution with a fine mist. Lightly cover entire area daily for 1 week. Repeat as needed until odor is eliminated.

Keep From Freezing
