NOW
No Ordering Water

This product is made with natural and sustainable plant bi-products.

The complete line of NOW Products (No Ordering Water) provides portion, and controlled cleaning concentrates with no waste. No dispensers or maintenance of chemical equipment required. High efficiency, powder detergents are ideal for cleaning and degreasing soil build on hard surfaces. Each 0.5 ounce packet is 100% active cleaner. No water or inert ingredients are used; saving the end user money with shipping costs and storage space. Formulated with a fresh, natural deodorizer.
